

INTERGROUP ASSOCIATION OF FAIRFIELD COUNTYBY-LAWS

Mission Statement:

IAFC is dedicated to aiding Lower Fairfield County A.A. groups to serve together by conducting services best served by a central office and that support the groups' goal to carry the A.A. message. The services are focused on helping the still sick and suffering alcoholic, those in A.A. recovery and providing the opportunity for individual AA members to do service.

First among these is a telephone hot line staffed by AA members to help those with a desire to stop drinking, along with a public information effort to let active alcoholics know that there is a solution to their problem. We also offer education about Alcoholics Anonymous to the professional community, to recovery centers and to correctional institutions.

Intergroup supports its member groups through a speaker exchange program, literature supply, a monthly newsletter, and fellowship events. The organization is managed by a board of trustees and representation by individual groups throughout the region. The Board of Trustees set the IAFC policy.

IAFC has adopted GSO's guidelines for intergroups and central offices and consists of committees for IAFC Board members, member group representatives (Reps), and their various committees. In accordance with the AA guidelines, the committees should work in close cooperation with existing committees.

Description of Trustee Positions:

The IAFC Board of Trustees is composed of thirteen (13) seats. The sobriety requirement for IAFC Board members will be two years or more of continuous sobriety. The terms of office for the IAFC Board of Trustees will be staggered to allow sharing of experience with incoming Board members. Boardmembers will serve a two-year term with elections held in June. In the spirit of rotation, Board members should not serve more than two (2) consecutive terms in any one position. Terms begin and end in even-numbered years for: Chairperson, Treasurer, Literature Chairperson, Fellowship Chairperson, Public Information Chairperson, and Representative Trustee.

Intergroup sponsored events are designed to inform the local membership of vital services that are provided by Intergroup, thereby fostering an atmosphere of Recovery, Unity, and Service: The Three Legacies of Alcoholics Anonymous.

1. Each event should whenever possible be self-supporting through the sale of tickets or contributions. However, some events may not be self-supporting such as Intergroup's yearly anniversary which is held in October each year. Nominations of speakers for this meeting should be brought to the Board meeting in August for consideration. All A.A. speakers selected should have a sound understanding of A.A.'s Singleness of Purpose, and some idea of the "Vital Services" provided by Fairfield County Intergroup. Any Boardmember or group rep may nominate speakers. It is recommended that no funds be spent for any event without the approval of the Board.
2. The primary function of the event chair is one of greeter, hospitality, ticket sales and flyer distribution where applicable.
3. Intergroup will negotiate and sign all contracts for space rentals, making deposits contracting DJ and provide and purchase all supplies necessary for events.

4. Seek and utilize media platforms to spread information on both the disease of alcoholism and the path to recovery.

1. In January and July of each calendar year, at some time prior to the scheduled Board meeting for the month, the Treasurer and Chairperson shall make themselves available to the Representative's Chairperson, the Recording Secretary and any other Board members who wish to be present, so that the Representative's Chairperson and Recording Secretary may inspect the financial records to ensure compliance with the bylaws. While the entire Board of Trustees is encouraged to attend, the audit itself is to be performed by the Representative's Chairperson and the Recording Secretary.
2. At each audit, the Treasurer and Chairperson shall produce, at a minimum, the bank statements for the six-month period, which is the subject of the audit, the monthly Treasurer's reports for the prior twelve months, the check book and ledger, and any other documents usually or reasonably requested in advance by any member of the Board.
3. The January audit will examine the records from the previous July through December, and the July audit shall examine the records from the previous January through June.
4. If the July audit takes place during the first month of a new Treasurer's term, both the incoming and outgoing Treasurer must be present. This is to ensure the outgoing Treasurer's accountability and to protect the incoming Treasurer from being liable for anything that may have occurred prior to beginning the service position.
5. If a Treasurer or Chairperson begins a term of service at a time other than July, the Board of Trustees shall determine the appropriate measures for ensuring accountability of the outgoing Trustee and protection of the incoming Trustee. This shall not, however, be reason to delay the July audit.

Opening of Board Meeting:

The monthly Board meeting shall be opened with a moment of silence and the Serenity Prayer.

Policy regarding attraction of new member groups:

To include all IAFC's Board in the wide-ranging search to add additional member groups.

Policy regarding separation of IAFC and General Service:

It is IAFC's policy to cooperate but never to affiliate with General Service. We are a separate entity of Alcoholics Anonymous and should remain so.

Policy regarding dismissal of sub-committee members:

Dismissal of a sub-committee member will be at the discretion of the Board member who heads the committee.

Policy regarding contributions to IAFC:

Contributions to IAFC are to be accepted only from an AA member and AA groups (or any other AA entity). Contributions are limited to \$2,000 per individual per calendar year.

Policy regarding dismissal of Board Members:

Any Board Member can request the dismissal of another Board Member whose performance and/or action is injurious to the IAFC. The claimant will request the dismissal at a regularly scheduled Board Meeting. If an extraordinary circumstance has prompted the

dismissal, an emergency business meeting may request to be arranged by the Recording Secretary (or any other Board Member if the claim is made against the Recording Secretary).

Dismissal will become effective as follows:

- (a) If a quorum of ten (10) or more Board Members is present at the meeting, a simple majority vote in favor of dismissal is required.
- (b) If fewer than ten (10) Board Members are present, a two-thirds majority vote in favor of dismissal is required.
- (c) If fewer than six (6) Board Members are present, the Board should seriously consider postponing taking a vote until such time as more Members can attend.

It is strongly suggested that the Member whose dismissal is requested be present at the Meeting and be given an opportunity to address the Board.

The Representative Chairperson can only be dismissed from the Board after the matter is brought to the Group Reps at the monthly Rep Meeting.

The Group Reps, through the Representative Trustee, can request dismissal of a Board Member in accordance with the procedures set forth above.

Policy regarding distribution of funds if IAFC is dissolved:

In the event the IAFC is dissolved, its assets shall be distributed evenly (50/50) between Districts 5 and 6. If either District has redistricted, those new districts will receive equal amounts of the original District's 50%.

Description of the Group Representative's Duties:

The Group Rep is elected by member groups to represent them at monthly Rep Meetings and to act as a liaison between their group and the IAFC Board of Trustees. They are answerable to the groups, not to the Board of Trustees. The Board suggests a term of office of two years, but the term and other requirements and responsibilities are up to each group to decide. It is the Group Rep's responsibility to supply IAFC with 12-step lists and phone volunteer lists and to maintain their group's commitments.

Policy for changes to the By-Laws:

Any proposal changes to the By-Laws should be brought before the Board one (1) month prior to a vote being taken in order that proposal(s) may be disseminated to all Board Members to allow adequate time for the proposal to be thoroughly considered.

For job descriptions, they are to be reviewed and updated, as needed, before a person's term ends. At the board meeting two months before the end of their term, the person will have provided an updated description, if needed, to the board for review. At the next board meeting a vote can be taken on this update.

The Secretary is responsible for updating the by-laws. This is to occur within a month after a vote has occurred which changes the by-laws.

Vote Required to Change By-Laws

By-Law changes require an affirmative vote as follows:

- (a) If a quorum of ten (10) or more Board Members is present at the meeting, a simple majority vote in favor of the proposed change(s) is required.
- (b) If fewer than ten (10) Board Members are present, a two-thirds majority vote in favor of the proposed change(s) is required.
- (c) If fewer than six (6) Board Members are present, the Board should seriously consider postponing taking a vote until such time as more Members can attend.
